

## Membership & Benefits

### Training Courses

We offer training courses designed to satisfy and fit the requirements of members' self-assessment. Our courses are competitively priced and members who have opted for a Subscribed Membership will receive a discount of £100 on every course they attend in the membership year.

### Free Webinars

In 2017 we will be offering four free webinars to Subscribed Members, which can be viewed live or via a recorded version at a later date. In addition to the free webinars, we will also be offering a number of webinars as part of our paid training programme and Subscribed Members will receive a discount.

### Representing our members

We are your representative body in respect of the in-house community and we are regularly in touch with the Law Society and other bodies such as the SRA and Legal Services Board to lobby and put forward our members' views.

### Regional Events

We have seven regional groups who, through local committees and with the support of the

National Office, organise local events such as soft skills events, round table discussions, legal briefings and social events such as dinners and fund raising events. These events provide a great opportunity for members to network and share experiences with other in-house lawyers in their area. Our regions are London, Thames Valley, Central, Yorkshire, Midlands, Tyne Tees & North West.

### Special Interest Groups

Over the years and at the request of our members, we have set up a number of special interest groups who organise specific events for the following sectors – Corporate Governance, Sole/Small In-House Legal Teams, North & South Food & Drink, Automotive and Privacy groups.

### BLUE PLATINUM

Blue Platinum is a unique legal support scheme for in-house counsel. It is only available to Subscribed Members of the C&I Group. The benefits include a free helpline to thirteen specialist teams who will try to answer your legal enquiry in an area of law – at no cost to you. It also includes free bite-sized briefings which cover a whole range of topics.

### 2017 Membership Rates

**Individual Subscribed Membership is just £75+VAT** and you are then eligible for significant savings on any of our courses (so much so that you will have saved the cost of your membership by attending just one course).

If you have more than six members in your legal department then our **Subscribed Corporate Membership** is even better value for money at **just £450+VAT (for up to 20 members) and £500+VAT (for 20+ members)**.

Membership can include barristers, trainee solicitors, legal executives, paralegals and so on.
